Artist Bio

Hello my name is Hlasoa Lenoesa, I am an artist from Ha Shepheseli Leribe. Painting and printmaking are my favourite
mediums to work with. But that doesn't stop me from experimenting different medias. In my painting world, I like something that ultimately create a sense of visual distance and depth that we can
identify with.

Artist Statement

It has always been my wish to express my feelings about everything I see each and every single day, I find very essential to use paints mainly because that's the simpler way for me to sent the message.
